Dear SoCG community,

Below please find a table with the results of the Opinion Poll on ACM Affiliation for SoCG. The bottom row of the table gives the number of votes for each of the three options

- A. I prefer to stay with ACM.
- B. If involvement of ACM can be restricted to publishing the proceedings, at low cost for SoCG, then I prefer to stay with ACM; otherwise I prefer to leave ACM.
- C. I prefer to leave ACM, and organize SoCG as an independent conference with proceedings published in LIPIcs.

and it also gives a breakdown of the votes by the number of SoCG's that the voter attended in the last 10 years.

	A: stay	B: proceedings only	C: leave	total
A: 0	4	3	3	10
B: 1-2	6	16	19	41
C: 3-5	11	15	16	42
D: >5	8	14	9	31
total	29	48	47	124

Based on the result of the Poll, the Steering Committee decided to start negotiating with ACM to see if they can offer SoCG an arrangement in which involvement of ACM is limited primarily to publishing the proceedings, with the possible option for greater involvement if the local organizers request/require it.

The SoCG Steering Committee: Mark de Berg (secretary), Joe Mitchell, Gunter Rote, Monique Teillaud, Jack Snoeyink (chair)
